

about: newsletter

“newsbytes” is a monthly newsletter sent out to the society about what’s happening in CSE Revue. This is produced by the publications team.

about: sidebar

A nifty space in the newsletter providing interesting tidbits of information. Watch this space for any little extra details on the society or that answer to the question you’re thinking of.

about: your promotion

Have an event you want all of Revue to be aware of? Just simply contact the publications head and keep an eye out for your name in the What’s On section of the newsletter

publications.head@cserevue.org.au

Preparing for lift-off!

Welcome to CSE Revue 2009! We had a fantastic year last year with our move to the illustrious Science Theatre, and this year is shaping up to be just as successful! It’s going to be a year of learning and partying likes it’s 1337 for all revuers, new and old!

CSE Revue is a sketch show which is held annually in Session Two of the University year, completely organised and run by members of the society. Members take active roles in various teams, with their efforts culminating to a week of show nights. Each night proves to be full of hilarity and fun for cast, crew and the audience.

However, there is more to Revue life than just the show! With social events such as camp, the CSE Revue Ball, Games Night and lots of parties, you are guaranteed VIP access to one of the largest, and most diverse bunch of people you will ever meet! From nerds to cool cats, old members and new, people from the other side of the campus, people you may have walked past on campus a week ago and those not even studying at UNSW may end up being one of your closest pals. We do more than simply run a show – the most important goal in CSE Revue is to have fun.

So even though we run a show, acting and singing are not the only things you can do in CSE Revue. To keep up the show’s successful reputation we need awesome members such as yourselves helping out in any way, big or small. There are several teams that could use your help. So if you want the

most out of the Revue Experience, drop into as many team meetings as possible – plus getting involved is the best way to meet new people.

In this newsletter is the “What’s On” section – here you will find details about any upcoming meetings, events and activities planned for the next few weeks. And as we make up reasons to chill out and par-tay, you’ll find this list growing exponentially.

Confused? Unsure? Need someone to talk to about what you can do? Feel free to email producers@cserevue.org.au and we will help you as much as we can.

about: K17

Home to the School of Computer Science and Engineering, this place is found at coordinates K-17 on the UNSW Map. There are several places of note here, including:

The Seminar Room: located on the first floor, this was where membership day was held.

The Basement: a floor hosting a comfy Laptop Lounge and the Socs Office.

The John Lions Garden: situated outside the building, most barbeques hosted by CSE are held here.

about: the socs office

Located in the basement of K17, this room is the home base of all Computer Science and Engineering societies. Feel free to drop by for a question answered, a DVD purchased or a friendly chat =)

about: video cast

Want your 15 minutes of fame without feeling tied down? Show video filming is soon and you can be involved! If you can't commit to show cast but still want to make your mark, email your friendly directors at

directors@cserevue.org.au

CSE Revue Goes Ice Skating

On Friday, the 17th of April, meet up with other revuers for some chill-laxing fun at Macquarie Ice Rink.

From 4-6pm you can spend some time with friends, new and old, and if you can't make the time itself, we're guaranteed to hang out afterwards! Contact Tam and Nica, our social heads at social.head@cserevue.org.au for more info.

ROFL Waffles

Come the return of uni and *zomg* work, CSE Revue will see the return of our infamous ROFLWaffles.

Migrate to the Science Lawn on Tuesday Week 6 1-2pm and buy a yummy waffle – all proceeds will go towards the Cancer Council Foundation. Om nom nom ^ ^

So You Think You Can Dance?

Are you tap or ballet dancer, a bboy or just someone looking for a fun way to meet people and learn something new?

Dance Blocks will start after the Mid-Session break, where we'll show off some cool moves and teach you to look just as awesome on the dance floor! All you need is some comfy clothes and a lot of spirit!

CSE Revue Coming To Your Laptop Now

The premiere screening of the 2008 CSE Revue DVD was on Friday the 20th of March, with a packed out Seminar Room crowd gathering to collectively ROFL at the awesomeness of last year's show.

Fortunately for those who couldn't make it, we have plenty of DVDs for you to take home and see it for yourself. Not only will it provide you with hours of entertaining procrastination, but the DVDs are a great way to see just what a Revue involves if you're a new member. We have DVDs for all past shows, including Revue Reloaded from 2003, which had been sold out. To celebrate this, you can get all the DVDs for just \$40.

You can also buy past year's theme t-shirts and hoodies, as well as the uber-cute "byte me" non-theme shirt. Just come see one of your friendly producers (Mel, Steph or Stuart) in the Soc's Office or at one of the upcoming events =)

Questions? Email us at producers@cserevue.org.au

about: joining teams

There are several teams you can get involved in – some doing things right from the word go and some which won't be active until two weeks before show. You don't have to be in only one team, you can help out as little, or as much, as you want. Getting involved means learning various skills and making new friends =)

about: team involvement

Some teams start work straight away whilst others might only start closer to the show. Remember, you don't have to be tied to just one team. Try to get involved in many different teams, that way you'll get to meet more people and learn a wider variety of skills.

about: missing team meetings

If you couldn't make a meeting, it's no big deal! Don't panic if you find yourself unable to make regular team meetings – remember, there are also other teams to get involved in. Just let your team head know if you can't make a meeting.

about: team heads

Need to contact a team head? Just email [\[teamname\].head@cserevue.org.au](mailto:[teamname].head@cserevue.org.au)

e.g. promotions.head@cserevue.org.au

What's On: April

Scripts Meeting

- K17 Seminar Room Thursday 16 April 6pm,
Wednesday 22 April 6pm, Thursday 30 April 6pm

Every week the Scripts team meet in secret. Deep in their underground lair known only as Sem Narroom, they channel the sketches, songs and videos that imbue the show. You too can unleash your lightning wit – be a part of the magic creation.

CSE Revue Goes Ice Skating

- Macquarie Ice Rink Friday 17 April 4pm - 6pm

Chill out in more ways than one at Macquarie Ice Rink! Our Social heads have a great afternoon planned for everyone. Hop on the new train line or take to the roads this mid-session break, and if you're a budding olympic skater, don't forget your blades!

Webmin Meeting

- K17 Basement Monday 20 April 6:30pm

Release your inner geek and come along to Webmin. If you missed the introductory meeting this is your chance to catch up on what you've missed. New members are welcome!

ROFL Waffles

- Science Lawn Tuesday 21st April 1pm - 2pm

If you need that extra boost of sugary goodness these ROFLWaffles should do the trick. Indulge in funny-filled treats with other Revuers before your next class.

Dance Blocks

- Marsh Room Thursday 23 April, Tuesday 28 April

Take out your dance shoes, ballet slippers, wooden legs or barefeet and join in for some fun! Learn some uber cool moves, or catch up on that exercise you've missed out on during the break – and bring your friends too!

PHP Tutorial

- Location TBA Thursday 23 April 6:30pm

Don't know the difference between ?> and <? Don't know how to pop(\$herStack);? Go _POSTal at our PHP kickstart and you'll be _GETting it in no time at all.
